Re: LCA PRESCHOOL Update

Good Morning Preschool Families,

Hopefully, you have had an opportunity to read Mrs. McIlrath's email regarding our efforts to comply with Gov. DeWine's mandate for school closure. All ODE preschools (including our preschool) are included in this mandate. While this poses a challenge for us all in the days ahead, I want to assure you that our staff is working to formulate an educational plan for the upcoming weeks. While "school" will take a different shape for a while, we are committed to doing our best to maintain the educational process based on the resources we have available to us. I will email you in the next couple of days to explain our Preschool educational plan for the next 5 weeks while we are out of school. Don't forget to stop by today between 9 AM -3 PM to pick up educational packets, nap items and medications. If you are unable to come by during those hours, please let me know so we can make other arrangements.

Worry is not a place where God wants us to rest, and we are certainly not alone--God is WITH us! We were reminded that God tells us that prayer is the solution in Philippians 4:6-7: "Do not be anxious about anything, by in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding will guard your hearts and your minds in Christ Jesus." Join us in committing more time to pray over our children, our families, and our nation.

As always, we value your partnership with us! We also value your patience and understanding as move forward in the weeks ahead.
